Lee Hart Moves From Coaching

Lee Hart has resigned his position as National Coaching Manager. All the current coaching duties have been passed to Andy Penny, Director of Coaching BTBA. Any question on the coaching programme should now only be directed to Andy Penny.

The reason for change is to enable Lee to take up his new position as Diversity and Inclusion Manager, a role that will see Lee face many different challenges, but also very exciting opportunities.

In his new role Lee will join the National Council of the BTBA, reporting to the Director of Sport Development, and we wish him all the best in his new role and thank him for his time and efforts to date, and his beliefs that "people matter", "make a difference" and "find a better way" are the way forward.
